

SAFE-T-WASH™

Low Odor Wash-Up for Safe & Effective Cleaning

ADVANTAGES

- Removes ink residue for accurate, consistent printing results
- Reduces screen maintenance and prep time
- Use straight from the container for most applications
- Works on all solvent-based inks
- Also for use with plastisol, epoxy, and UV ink systems
- Low VOC rating meets or exceeds most safety guidelines
- Low odor solution is simple to use, requiring no additives
- Keeps screens in top condition for longer life

AWT's Safe-T-Wash is an exclusive blend of cleaning solutions optimized for the safe and effective cleaning of screen printing inks and removal of ink residues. This versatile screen cleaning solution dissolves most ink systems efficiently with a minimum of time and effort.

Safe-T-Wash has a low VOC rating and meets or exceeds most safety protocols and guidelines. Clean up is quick and easy, keeping screen prep time to a minimum.

Safe-T-Wash can be used straight from the container with most ink systems. It is effective on all solvent-based inks and also can be used on plastisol, epoxy, and UV inks.

Safe-T-Wash is available in sizes ranging from one quart to 55 gallons.
